Honesty Quality Safety Passion

Job: Red Mountain

Guess Who

My hair color is somewhere between light and dark. My biggest pet peeve is people who take up two parking spaces. My first job I wore many hats. My first vehicle was a commuter favorite; not flashy but got the job done.

My favorite hobby is anything involving competition. An interesting fact about me is I always read reviews before committing. My favorite place to visit is anywhere near water. My favorite holiday is one that involves food and family. I would rather wear comfy clothes than formal ones. One word to describe me is consistent and something I can't live without is music.

Who am I??
