

NEW HIRES

THAILER

What is your position/what crew will you be working with?
Top hand for Miguel's crew

How long have you worked in construction? 3 years, but mostly remodeling and roofing.

What are you most excited about? Learning a new trade and working with the good crew I'm on.

DIEGO

What is your position/what crew will you be working with?
Residential: Labor/Pipe Layer

How long have you worked in construction? This is my first construction job. I have always worked with machines and dirt since a kid living in the orchard.

What are you most excited about? I am excited to learn new things and how to work the big equipment and to see how all the piping works like sewer and water. The Resi crew I work with is awesome and very helpful, always willing to teach me new things. They're all very hardworking people.

CRUZ

What is your position/what crew will you be working with?
Operator for Matt Carroll's crew

How long have you worked in construction? 6 years

What are you most excited about? Working in town and learning the slopes better.

Please remember to follow all COVID-19 regulations:

- **Taking temperatures every morning**
- **Wear masks and gloves**
- **Wash hands often and use hand sanitizer**
- **Social distance as much as possible on the jobsite**

Guess Who?

My first job was picking blueberries. I can't live without meat pie. My favorite summer activity is hiking. My favorite job that I have worked on at TTap was First Fruits. Who am I?

*Please text Stina your answers for the Guess Who Challenge. 360.798.0737
First person to send in the correct answer wins a \$10 gift card. One guess per person.

Last month: Miguel | Winner: Billy

**June Photo Challenge Winner: CORY
Dane Hammerstrom Job**

NEW JOBS

- Jubilee Foundation
- Horne Rapids Apartments
- Louisiana Street
- Willow Pointe Apartments

Utility Trailers:
Moved 110,000 yards of dirt and placed 8,000 ton of rock. Built large retaining walls at the entrances. Main challenge was the freezing weather and radio communication was key.

Improvement Challenge

Each month there will be an improvement challenge. The items listed below will be on the checklist for the safety incentive program.

- Fuel/grease the high use points every other day
- Organized job site – no garbage, equipment lined up

RADIOS: Please turn off your radio each night to have them reboot and stay up to date.
