## ??GUESS WHO??

My hair is half white, my biggest pet peeve is errors, my first job was a dish washer and my first car was a Pontiac 68'. My hobby is fishing, an interesting fact about me is I am self-confident, my favorite place to visit is Florida state, my favorite holiday is Christmas, I would rather love than hate, one word to describe me is responsible and something I can't live without is my family.

Who am I?
