# GUESS WHO?!

My hair color is brown. My first job was at Ranch & Home. My first car was a BMW. My favorite hobby is fishing, and my favorite place to visit is Idaho. I love the Fourth of July, and I'd rather go fishing than not do anything. One word to describe me is young, and I can't live without tools. **Who am I?!**

Text your guess to Caroline, (360) 986-9499.

Winner gets to choose between a gift card or merch. One guess per person!

# JOB UPDATES

25-033. RMLI III PH 2-3

Starting in mid-October last year, we wrapped up work on RMLI. At one point, all three crews were out there working simultaneously, which really helped keep things moving. We were able to mob out for a month and then return later to get the road fully prepped for paving. Great job all around—everyone's effort is appreciated!

**SHOUT-OUT!**

Great job being efficient!  
We finished under our estimated manhours!
